Sachin Vishe

Piping Layout Engineer

Phone: +91 993 007 9232
Email: schinvishe@gmail.com
Address: 103, Shree Samarth Dham CHS, Nandivali Road, Dombivali East 421201
Date of Birth: 29-07-2002

I'm an Experienced Piping Layout Engineer my passion lies in providing exceptional Piping Design . My vision for the future is to involve into an align my expertise with Piping. Skilled at providing the Best Piping Design. Approach learning a new technology, Capable of handling client inquiries, requirements and escalations while ensuring high Quality Design. Possess excellent communication, interpersonal, and problem-solving skills, with a strong focus on attention to detail and accuracy.
Proven ability to work efficiently under pressure while meeting deadlines and exceeding performance targets. Quick learner, adaptable, and holds strong organizational and time management skills.

SOFTWARE SKILLSET

SP3D | SPR | E3D | AutoCAD

WORK EXPERIENCE

Piping Layout Engineer | Reliance Industries Ltd **Mar 2025 - Present**

Projects - Aviation Turbine Fuel (ATF) - Oil & Gas

- Process Lines, Utility, Underground Piping Piping Routing with help of reference Documents.
- Isometric Extraction, Issue & Self Check Isometric Drawing.
- Feasibility Study for pipe rack for ATF Plant & preparation of report.
- Review the engineering design changes & resolved site related problems as per construction team.
- Understand Design Factors like Safety, Maintenance, Operation.
- Preparation of Preliminary MTO & BOM.
- Modeling of equipment as per Equipment GA.
- Pipe Routing as per P&ID.
- 30%, 60%, 90% MTO Preparation and checking of MTO.
- External model Review.
- Coordinated with process, Stress, Civil, Mechanical and Instrument department.
- Generation of Piping documents like Isometrics, Plot plan, Piping GAD and Plantform inputs.

TECHNICAL PROFICIENCY

- Equipment and Piping Modelling.
- Nozzle Orientation of Equipment.
- Piping layout and Equipment layout.
- Extraction of isometrics and modifying as per client.
- Extensive Preparation of MTO & line List Using P& ID.
- Calculation of Pipe Thickness as per ASME B31.3.
- Drafting of P&ID using AutoCAD.
- Clash checking and isometric comment incorporation.

EDUCATION

PGD in Piping Engineering | Suvidya Institute of Technology **Jul 2024 - Nov 2024**

B.E Mechanical | Datta Meghe College of Engineering, Navi Mumbai **Jan 2020 - Jan 2024**

Passed with 8.6 CGPA.

HSC | B.N. Bandodkar College of Science, Thane **Jan 2018 - Jan 2020**
